**Ultra Slimpak** - Signal Conductors, Isolaters, Alarms & Power Supplies  
**UltraSlimpak II** -Signal Conductors, Isolaters, Alarms & Power Supplies  
**Action I/Q** - AC, DC & Loop Powered Signal Conditioners, Isolaters & Alarms  
**IP** - Current to Pressure Transducers  
**TransPak** - Two Wire Transmitters  
**Action Pak** - Limit Alarms & Signal Conditioners  
**Visipak** - Digital Process Indicators & Displays, Loop Powered LCD Indicators

Combustible, O2, & Toxic Gas Detection Systems  
 Catalytic Bead, Electrochemical & IR Sensors  
 Single/Multi Point & Open Path IR Detection • Flame Detectors

Total Instrument Solutions - Pressure, Flow, Air Velocity Level, Temperature, Valves, Combustion Testing, Data Acquisition, Humidity & Test Equipment

FLOWMETERS - Sono-Trak Transit Time & Doppler Ultrasonic Clamp-On V-Bar Insertion Vortex, Turbo-Bar Insertion Turbine  
 PhD Inline Vortex, Hydro-Flow Water Vortex  
 Flow Processors, Temperature & Pressure Transmitters  
 MAGFLOW & UNIMAG Electromagnetic Flowmeters

Liquid Level Switches • Flow Switches • Flow Indicators  
 SureSite Visual Level Indicators • Ultrasonic Level Switches  
 Ultrasonic Continuous Level Transmitters • Pressure Transducers  
 Tank Level Indicating Systems • I.S. Barriers & Relays • Float Switches  
 (Warrick) Conductivity Based Liquid Level Controls, Probe Holders, Relays, Electrodes & Controls • Leak Detection Sensors • Fiber Optic Controls  
 Solenoid Valves • Pressure Switches

Thermometers • Bi-Metal Dial • Liquid-in-Glass • Pocket • Digital • SAMA  
 NIST Traceable • Hygrometers • Psychrometers • Scales • Pressure Calibrators

Electronic & Electromechanical Pressure, Differential Pressure, Temperature Controls & Switches • 2-Wire Pressure & Temperature Switches  
 Thermocouples, RTD's, Thermistors & Thermowells  
 Pressure Transducers

Fiberglass Manufacturer - Parshall, Palmer Bowlus, Trapezoidal & H Flumes  
 Metering Manholes • Weatherproof Shelters ( Troughs, Weirs, Baffles & Covers Used in Water and Wastewater Treatment Plants • Custom Well Head Cover & Filtration Tanks

# PENTAIR THERMAL MANAGEMENT

Heat Tracing Controls, Monitoring Systems & Control Panels For The Industrial & Commercial Construction Heat Tracing Market  
 Automatic Snow Melting & Gutter De-Icing Controllers  
 Supervisory & Computer Design Software

Mineral Insulated Industrial Fire Rated Wiring Cable  
 Mineral Insulated Heating Cables & Components For:  
 - Freeze Protection & Temperature Maintenance Systems  
 - Snow-Melting Systems For Asphalt & Concrete Driveways

Self-Regulating, Constant Wattage & Power Limiting Cables For:  
 - Longline Heating Systems  
 - Pipe & Tank Freeze Protection Systems  
 - Pipe & Tank Process Temperature Maintenance Systems  
 - (RHS) Heating Pad Systems For Industrial Storage Tanks

Self-Regulating Heating Cables For:  
 - Roof & Gutter De-Icing Systems  
 - Concrete & Masonry Floor Warming  
 - Domestic Hot Water Temperature Maintenance Systems  
 - Snow-Melting & Anti-Icing Systems For Concrete Pavements  
 - Commercial Pipe Freeze Protection & Flow Maintenance  
 - Electric Thermal Storage & Freezer Frost Heave Protection

Complete Turn-Key Heat-Tracing Service Integrator • Engineering Services  
 Electric Trace • Steam Trace • Glycol Systems • Utility Distribution  
 Pipe Insulation (Turn Key) • Tank Insulation Systems  
 Instrument Heating Systems • Pre-Insulated Piping & Tubing Bundles  
 Pre-Fabricated Skids • Control Rooms & Enclosures • Specialty Pipe Shoes  
 Pre-Fabricated Safety Showers • Heat Trace Controllers,  
 Monitoring Systems & Custom Built Control Panels

Leak Detection Systems For Water, Fuels, Solvents & Aqueous Chemicals  
 Single & Multiple Alarm & Locator Modules  
 Leak Sensing & Locating Systems For Pipes, Tanks & Beneath Raised Floors In Cleanrooms, Computer & Phone Equipment Rooms
